April 7, 2025

Dear Parents/Guardians,

We are thrilled to announce our upcoming fundraising event with Sawaya Gardens, a local garden centre renowned for its exceptional selection of plants. The sale will take place on School Cash from:

**APRIL 14 to May 4. This year we are selling:
10" Hanging Baskets for \$21 or
10" Ferns for \$25 each**

This year, we are doing things a little differently. Instead of pre-ordering plants, supporters will purchase tickets for plants and go directly to Sawaya Gardens to choose your HANGING BASKET and/or FERN on the set dates. This way, you can select colours that best suit your preferences and decorating needs. Sawaya Gardens are generously donating a portion of the proceeds back to our school.

All monies raised through this fundraiser will go towards Scientist in the Classroom and bussing costs for field trips.

You will receive tickets on or by May 7, 2025, to present at time of plant pickup. There is one ticket per item (if you purchase 4 items you will have 4 tickets). Items must be picked up on the designated **pick-up dates – May 8, 9, 10 ONLY, (9 am to 5 pm each day)**.

We encourage you to mark your calendars and join us for this exciting event. This is a fantastic opportunity to support our school while also beautifying your own home.

Thank you for your continued support of our school and our students.

Sincerely,
Parent Council
