JANUARY 2026

Happy New Year!

Welcome back everyone! We hope you had a chance to rest and visit with family and friends over the holidays. We are looking forward to a fantastic 2026 school year! December was a whirlwind of activity at Resurrection. A big thank you goes out to our wonderful Resurrection School Council for a great Turkey lunch. Thank you to our Resurrection Community for your generous donations of self-care and warm weather items for St. Vincent de Paul

Looking ahead, staff will be focusing on assessment and evaluation in the coming weeks and preparing Term 1 report cards. With the end of the term approaching quickly, it is time to pull up our socks and give our best in the final assessments. Report cards give us the opportunity to develop as an individual, reflect on our strengths and set goals for Term 2.

Continue to check your child's bright space regularly for reminders, assessment feedback and homework.

May God bless you all during the coming year with health, love and happiness. As the new calendar year begins, I welcome back staff and students and pray for the welfare of our Resurrection School Community. I look forward to January being a productive and busy month, as well as, a wonderful beginning to a New Year!

Kindergarten Registration Happening Now!

Starting January 5th through February 20, 2026, we will be accepting Kindergarten Registrations online through our Board's website. The online tool will make the process more convenient for parents. Parents will simply:

1. Create an account
2. Provide Registration Details
3. Upload a few documents

You will need:

- Canadian birth certificate (or proof of Canadian citizenship, proof of permanent residence, record of landing, or other Immigration and Citizenship documentation).
- Roman Catholic Baptismal Certificate or, if your child is not baptized, the Roman Catholic Baptismal Certificate of the parent or guardian.
- Proof of home address (a rental/lease agreement, utility bill, proof of purchase). A Driver's License is NOT accepted.
- Education records (if your child previously attended another school).

Tips:

- You will need to use the same email address when entering your parent/guardian information that you used when you created your account. That email address is important because it is part of the attendance and information sharing processes during the school year. Other parent/guardian email addresses can be added during the registration process.
- You can upload the required documents as an 'image' or as a '.pdf' file. A quick 'smart phone' picture or 'scan' will do the trick! If you are not able to upload the required documents, complete the online registration process and provide the original paper versions to the school as soon as possible. Your child's registration is not complete until all documents are received at the school.

The Year Ahead

May God make your year a happy one!
 Not by shielding us from all sorrows and pain,
 But by strengthening us to bear it, as it comes;
 Not by making our path easy,
 But by making us sturdy to travel any path;
 Not by taking hardships from us,
 But by taking fear from our heart;
 Not by granting us unbroken sunshine,
 But by keeping our face bright, even in the shadows;
 Not by making our life always pleasant,
 But by showing us when people and their causes need us most,
 and by making us anxious to be there to help.
 God's love, peace, hope and joy to us for the year ahead.
