**DEFINITIONS:**

**Hospitality:** is the provision of food, beverage, accommodation, transportation, and other amenities to individuals who are not engaged to work for the Board or other broader public sector organizations (i.e., other school boards, Ontario government, agencies, and public entities).

**Perquisites (or perks):** refers to a privilege that is afforded to an individual or to a group of individuals, provides a benefit, and is not generally available to others.

**ADMINISTRATIVE PROCEDURES:**

**Responsibilities**

- In general, trustee expenses must be approved by the Chair of the Board in accordance with this Policy and Administrative Procedure, or as otherwise approved by the Board. The Treasurer of the Board or any two trustees shall approve the expenses incurred by the Chair of the Board.

- It is recommended that trustees seek pre-approval of uncertain purchase types to ensure reimbursement will be approved by the Chair of the Board or Treasurer of the Board.

Those individuals responsible for approving claims are prohibited from approving their own expenses. Expenses cannot be claimed by a trustee that are incurred by his/her approver (i.e., a trustee cannot submit a claim that includes the cost of the Chair of the Board's lunch even if they were at the same event, this results in the Chair of the Board approving their own expense).

Expense claims without appropriate approvals and/or supporting documentation will be flagged for further follow up and subject to processing delays.

- Trustee expenses will be posted on the Board's website annually following the close of the previous school year's financial records.

### Information

- This Policy and Administrative Procedure was developed using the guidelines outlined by the Province of Ontario and its Ministries, including the Broader Public Sector Expenses Directive.
- 
- The Board assumes no obligation to reimburse expenses that are not in compliance with this Policy and Administrative Procedure.

### Reporting Requirements

- Trustees are expected to submit expenses on a regular basis (i.e., quarterly) to Financial Services, using the current electronic method of submission. All costs must be supported by original invoices and/or receipts including credit/debit card slips and itemized receipts providing details of the expense(s) to be submitted. Business rationale and other details are required depending on the type of expense and may include purpose, date(s), point of origin and destination, other participants, and appropriate approvals.
- All approved expense claims (including mileage) must be received by Financial Services by September 10<sup>th</sup> of each year, or the following business day should the 10<sup>th</sup> fall on a weekend. Reimbursement requests for prior year expenses received after that date will be refused and will not be paid, without exception.
- Trustee expenses shall be processed and reimbursed within 10 Business days from the day of submission
- The Board understands that from time-to-time receipts may become lost. It is the trustees' responsibility to make every possible effort to obtain a duplicate receipt. Trustees will be allowed ~~one~~ reasonably valued missed receipts per school year, upon approval and at the discretion and approval of the ~~Treasurer of the Board~~ Chair of the Board.
- Any other extraordinary or unusual expense(s), that have been denied by the Chair of the Board or Treasurer of the Board, that a trustee believes should be paid by the Board, must submit, in writing, to the ~~Treasurer of the~~ Chair of the Board with the rationale for such claim. The trustee may then contest the eligibility of a claim during a public session of the Board.
- Pre-approval is recommended to ensure reimbursement will occur.

### Travel Costs

- The Board recognizes that certain trustees will be required to travel as part of their regular duties. Any travel required should be pre-approved by the Chair of the Board.
- Travel arrangements must be made using the most practical and economical method of transportation (air, train, taxi, vehicle). A comparison of costs and travel time for different modes of transportation may be requested from the Treasurer by the Chair of the Board to ensure the most reasonable, economical option. Air travel will be reimbursed at standard fare, up to economy/coach class or equivalent for all travel within North America. Travel in business class (or higher) will be permitted only for travel outside of North America and exceeding 6 hours of in air flight time with the prior approval of the Chair of the Board. or optional upgrades will be considered personal and not reimbursed.

- The cost of flight changes or missed flights will be deemed a personal expense, except in the event of an emergency or extraordinary circumstance and accompanied by a written explanation and approval by the ~~Treasurer~~Chair of the Board.
- Passports are considered a personal expense and will not be reimbursed under any circumstances.
- Vehicles should only be rented when it is economically justifiable. Unreasonable charges (i.e., penalties and surcharges levied for not filling up a gas tank or extra mileage charges) will not be reimbursed. Documented justification may be requested to support any vehicle rental. Please contact the Director’s Office for suggested vendors or agencies.
- The cost of taxi fares and other public transit (i.e., subway, trains, etc.) are reimbursable by the Board. The trustee is responsible for ensuring a receipt is obtained. In the event that a receipt is difficult to obtain, the Board will allow a reasonable amount provided details are provided.
- Reimbursement is provided for necessary and reasonable expenditures on standard parking, public transportation (i.e., subway), highway tolls when driving on Board business. Valet parking is not reimbursable unless there is no self-serve option (or self-serve is unavailable). Annual 407 ETR or other transponder charges are considered personal and not reimbursable.

- It is highly encouraged that trustees carpool when attending the same event to minimize costs.

**Accommodations**

- Reimbursement for overnight accommodation will be provided for a standard room or equivalent. In the case of a conference or seminar, trustees should stay at the host hotel if a group rate is offered to participants. - Penalties or charges incurred for non-cancellation of guaranteed hotel reservations are the responsibility of the trustee and will not be reimbursed. Exceptional circumstances may allow for reimbursement and must be submitted, in writing, to the ~~Treasurer~~Chair-of the Board for a decision.

**Meals**

- ~~Reasonable and appropriate meals will be reimbursed while away on business for the board at actual cost to a maximum of~~
- ~~\$100.00 (Canadian dollars) per person, per day including taxes, gratuities and other sundry expenses. This is not a per diem rate. The lesser of the actual cost or the maximum will be reimbursed.~~

- Pre- or post-conference activities such as sightseeing tours are considered personal and are not eligible for reimbursement.
- Cash advances will not normally be provided, however, a trustee who is unable to use a personal credit card may make a written request to the ~~Superintendent of Business & Treasurer~~ Chair of the board at least ~~fifteen~~ ten business days prior to when the funds are required.

- Trustees will not be reimbursed for tickets to community events unless a trustee is requested to represent the Board at such community events by the Chair of the Board. Further, if any trustee wishes to be accompanied by a guest (i.e., spouse, friend etc.), the trustee member/guest is responsible for the additional ticket expense.

These gifts can only be offered to people who are not engaged in work for the Board (i.e., trustees, employees, contractors). Justification may be requested to support a token gift of appreciation. A meal may be extended for a group of volunteers where it would be more cost effective than providing each volunteer with a token gift of appreciation. Gift cards should be purchased as required, the Board discourages staff from purchasing gift certificates in bulk and keeping them in hand.
- Donations or gifts to external charities, community groups, political parties, and schools will not be reimbursed. Supporting a fundraiser or event for a specific political party or candidate is not an eligible expense.
