

**Special Meeting of the Board  
Monday June 29, 2026 ♦ 11:30 a.m.  
Haldimand Room/ Microsoft Teams**

**Trustees:**

Carol Luciani (Chair), Bill Chopp (Vice-Chair), Dennis Blake, Dan Dignard, Toni Poirier  
Rick Petrella (on-leave), Mulan How (Student Trustee), Riley O'Brien (Student Trustee)

**Senior Administration:**

Mike McDonald (Director of Education & Secretary), Rajini Nelson (Superintendent of Business & Treasurer),  
John Della Fortuna, Kevin Greco, Michael Lawlor, Phil Wilson (Superintendents of Education)

---

**1. Opening Business**

**1.1 Opening Prayer**

*Almighty God, bless us as we gather today for this meeting. Guide our minds and hearts so that we will work for the good of our community and be a help to all people. Teach us to be generous in our outlook, courageous in the face of difficulty, and wise in our decisions. We give you praise and glory, Lord our God, forever and ever. Amen*

**1.2 Attendance**

**1.3 Approval of the Agenda**

Page 1

**1.4 Declaration of Interest**

**2. Committee and Staff Reports**

**2.1 Unapproved Minutes and Recommendations from the Budget Committee**

Pages 2-25

Presenter: Trustee Dennis Blake, Chair of the Budget Committee

- 2026/2027 Operating and Capital Budget

**3. Business In-Camera**

207. (2) Closing of certain committee meetings. A meeting of a committee of a board, including a committee of the whole board, may be closed to the public when the subject-matter under consideration involves,
- a. The security of the property of the board;
  - b. The disclosure of intimate, personal or financial information in respect of a member of the board or committee, an employee or prospective employee of the board or a pupil or his or her parent or guardian;
  - c. The acquisition or disposal of a school site;
  - d. Decisions in respect of negotiations with employees of the board; or
  - e. Litigation affecting the board.

**4. Report on the In-Camera Session**

**5. Closing Prayer**

*Heavenly Father, we thank you for your gifts to us: for making us, for saving us in Christ, for calling us to be your people. As we come to the end of this meeting, we give you thanks for all the good things you have done in us. We thank you for all who have shared in the work of this Board and ask you to bless us all in your love. We offer this prayer, Father, through Christ our Lord. Amen*

**6. Adjournment**

---

**Next Meeting:** Tuesday, September 22, 2026, 6:30 p.m. – Boardroom

# RECOMMENDATIONS FOR THE BOARD FROM THE BUDGET COMMITTEE MEETING

June 29, 2026

AGENDA ITEM	MOTION
2.1	<p>THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 total OPERATING budget in the amount of \$207,210,754 Million.</p> <p>THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 total CAPITAL budget in the amount of \$61,854,265 Million.</p> <p>THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 realignment of the operating surplus (working funds) in the amount of \$700,000 Thousand to use for the temporary accommodation needs.</p>

**RECOMMENDATIONS:**

THAT the Brant Haldimand Norfolk Catholic District School Board receives the unapproved minutes of the Budget Committee Meeting of June 26, 2026.

THAT the Brant Haldimand Norfolk Catholic District School Board approves the recommendations of the Budget Committee Meeting of June 26, 2026.

## REPORT TO THE BRANT HALDIMAND NORFOLK CATHOLIC DISTRICT SCHOOL BOARD BUDGET COMMITTEE

Prepared by: Rajini Nelson, Superintendent of Business & Treasurer  
Presented to: Budget Committee  
Submitted on: June 26, 2026  
Submitted by: Mike McDonald, Director of Education & Secretary

### 2026-27 Operating and Capital Budget Public Session

---

#### **PURPOSE**

The purpose of this report is to provide the Budget Committee with an overview of the Ministry of Education's 2026-27 Core Education Funding (Core Ed) announcement and to outline the projected financial implications for the Brant Haldimand Norfolk Catholic District School Board (BHNCDSB).

#### **BACKGROUND INFORMATION**

The Ministry of Education released the 2026-27 Core Education Funding projections on May 13, 2026, with the budget due to the ministry on June 30, 2026. The funding framework continues to support student achievement, special education services, transportation, school operations, and facility renewal while responding to changing enrolment and system needs.

The Ministry has also released updated directives regarding Specialized Equipment Allocation (SEA) funding and an updated Education Capital Policies and Programs Manual, providing school boards with direction regarding special education equipment funding, school renewal, and capital planning initiatives.

For more information about 2026-27 Core Ed funding, the details can be found in the link below:

[Education funding for school boards, 2026–2027 | ontario.ca](https://www.ontario.ca/education-funding-for-school-boards-2026-2027)

Similar to the past, the Ontario government continues to invest in new capital additions creating approximately seventy-nine new schools to support growing communities creating new student spaces and licensed childcare spaces across Ontario. The ministry also continues to support school boards in Building, Expanding and renewing schools funding as part of the 10-year education capital plan through School Condition Improvement, School Renewal Allocations, Reinforced Autoclaved Aerated Concrete (RAAC), and temporary accommodations.

Details of the capital funding can be found in the following link:

[Education funding for school boards, 2026–2027 | ontario.ca](https://www.ontario.ca/education-funding-for-school-boards-2026-2027)

However, funding for Responsive Education Programs (REPs) is not released at this time for budget preparation and the assumptions are those similar funds will continue to the 2026-27 year. For BHNCDSB the funding through REP for 2025-26 is approximately \$1.76M.

## **DEVELOPMENTS AND KEY CHANGES**

The following Responsive Education Programs (REP) funding and other Transfer Payments are being redirected to Core Education funding.

<b>REP Name</b>	<b>Moving From</b>	<b>Moving To</b>
Data and Information Collection for Kindergarten	Early Development Instrument (EDI) Teacher Release Funding	CSF - Data and Information Collection element for Kindergarten Per Pupil component
Teacher Support Reading Interventions	Reading Education staff to support Reading Interventions	CSF - Teachers to Support Reading Intervention component
Cyber Safety Learning Resources	Cyber Safety Learning Resources	LRF -Cyber Safety Learning Resources component within
Support for Children and Youth in Care	Transportation & Stability Supports Program for Children & Youth (CYIC)	LRF - Supports for Children and Youth in Care component
Dual Credit	Funding for External Partners	LRF - Dual Credits component within Differentiated Support Allocation
Targetted Learning Allocation	Math Achievement Action Plan (Board Math Lead(s), School Math Facilitator(s), Digital Math Tools)	LRF - School Math Facilitators, Math Lead, Digital Math Tools, Reading Screening Tools and Reading Intervention Licences and Support components
Special Education and Disabilities Tansitions (SEDТ)	Transition Pilot for Stdents with Development Disabilities	SEF - Special Education and Disabilities Transitions component wihtin Differentiated Needs Allocation

## **NEW INVESTMENTS**

***Investment for classroom supplies*** for Elementary Teachers through Learning Resources Fund (LRF), which is additional funds to procure supplies through Vendor of Record (VOR) arrangement for classrooms needs. This new investment for classroom supplies is indented to reduce the need for out-of-pocket expenses for teachers. Of the \$750 total available funds for this purpose for each teacher, the core funding includes \$450 in the new funding complemented by \$300 from within the current funding allocation to allow them to purchase additional supplies through VOR arrangement. BHNC is projected to have 396 grade specific classroom teachers who are eligible to receive this amount and the complemented portion of the \$300 per grade specific teacher for BHNC is \$ \$118,800. The administration allowed this complemented portion of the budget to be distributed to the classroom teacher enabling them to access the full \$750. Any unspent amount up to a maximum of \$750 equivalent to one year’s allotment may be carried over to the following school year for use.

***Investment for Consistent Curriculum Resources*** – additional funding provided for classroom curriculum resources intended to support a consistent set of high-quality curriculums aligned learning resources across subjects and grades. School boards must use the Supply Ontario VOR arrangement for the purchases of resources.

## **ENROLMENT**

Enrolment amongst school boards in the province is at an inflection point and some boards are experiencing a declining enrolment of approximately 13,000 student's provinces wide, where the school boards will be provided with an additional Declining Enrollment Adjustment allocation for those affected boards. In addition, funding may be influenced by the shift in immigration patterns and school boards are required to include these assumptions into the projection.

BHNC's enrolment projection for the 2026-27 year is based on current actual trends forecasted with a conservative growth percentage and is estimated to increase by a modest growth of 167 students to 13,025 students. This is the annualized Average Daily Enrollment (ADE) which would be used by the Board for ministry funding purposes. The projected enrolment increases would mean additional revenue projection for the Board and increased expenses to support the students' needs in various areas as mentioned above.

The presentation following this report provides a graph with an overview of historical actual enrolment and projected enrolment for the 2026-27 school year that is used for the budget.

## **OPERATING BUDGET**

Based on the available information and based on the assumptions made and following the instructions provided by the ministry, BHNC is projected to receive approximately \$190.1 Million through Core Education Funding in 2026-27.

The increase is primarily in the following areas of funding categories:

- Increases in Learning Resources funding.
- Increases in Classroom Staffing funding.
- Growth in Special Education funding.
- Increases in Student Transportation funding; and
- Additional School Facilities funding.

Overall, for the 2026-27 school year the revenue including the Core Education funding, REP funding and other revenues is projected to be \$207.2 Million.

Similarly, the expenditures are estimated to be \$207.2 Million bringing the board's budget to a balanced position. The operating expenditures for Salary and benefits includes 1.25 % increase for principal and vice principal groups to reflect the Terms and Conditions. The rest of the staffing categories did not assume any salary and benefits increases; however, the budget increases for grid movements were incorporated into the budget.

Total salaries and benefits account for approximately 79% of the total operating expenditures and relatively in align with the other school boards. BHNC has proportionately increased the school-based staffing for Classroom Teachers, Child and Youth Workers, Special Education support and other staff to directly support the increased classroom needs.

The student transportation funding has been updated to reflect routing simulations, enrolment changes and benchmark changes, resulting in total student transportation funding about \$10.03 Million.

The Ministry has updated the Specialized Equipment Allocation (SEA) directives for 2026-27 with the following key changes and ongoing provisions which include:

- Continued formula-based SEA funding for all district school boards.
- Base allocation of \$200,000 per board.
- Additional per-pupil funding based on Average Daily Enrolment.
- Claims-based funding for eligible specialized equipment purchases exceeding \$5,000.
- Continued support for assistive technology, communication devices, software, and equipment required to support students with special education needs.

Administration will continue to review opportunities to maximize available SEA funding and support student accessibility and achievement.

Finance staff evaluated inflationary pressures, collective agreement obligations, transportation costs, and other budgetary risks as part of the development of the 2026-27 operating budget. The ministry is providing a 2% increase to the non staff portion of the school operations allocations and is embedded within the funding.

## **CAPITAL AND FACILITIES BUDGET**

The updated Education Capital Policies and Programs Manual continue to emphasize:

- Capital Priorities submissions.
- School additions and new pupil places.
- School renewal projects.
- School Condition Improvement funding.
- Childcare capital opportunities; and
- Enhanced accountability and project readiness requirements.

Although a capital project is a multi year plan, the estimated budget provided is for the 2026-27 school year spending reflecting to the approved funding allocations and current priorities. The presentation slides lists some of the projects that are expected to be completed in the 2026-27 with the capital funding available through the categories assigned. To note, through the available Accessibility funding facilities is prioritizing the ramp work at St. Johns college and Assumption college. Administration will continue to assess facility renewal needs and identify future capital priorities aligned with enrolment growth, long-term accommodation planning and aging infrastructure.

## **USE OF RESERVES**

School Boards have three types of reserves:

- Working fund reserves (operating surplus) - have no definitive purpose and results from prior years and current year operating efficiencies.
- Internally restricted – funds set aside to address certain expenditures and for BHNC funds are set aside for committed Capital for temporary accommodation, unfunded WSIB, Other insurance expenditures and School budget carryovers.
- Restricted and unavailable reserves – represents reserves for future employee benefits, land purchases, and school generated funds through fundraising.

Throughout this budgeting process approximately \$700,000 will be realigned from the working funds partially to support the purchase of new portables needs to accommodate the growing needs of the students. The current temporary accommodation funding allocated is approximately \$1.31 Million, however, the portable needs exceed this allocation.

Continued usage of the working funds in the future will results in operating shortfall and it is recommended that the board keeps 2% contingency to protect the board from any future financial risks. Currently there is approximately 2% contingency operating/working funds reserves within the 2026-27 providing all the assumptions and projections aligns as expected.

**RECOMMENDATION:**

THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 total OPERATING budget in the amount of \$207,210,754 Million.

THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 total CAPITAL budget in the amount of \$61,854,265 Million.

THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 realignment of the operating surplus (working funds) in the amount of \$700,000 Thousand to use for the temporary accommodation needs.

Mike McDonald (Director of Education & Secretary)  
Rajini Nelson (Superintendent of Business & Treasurer)  
John Della Fortuna, Kevin Greco, Michael Lawlor, Phil Wilson (Superintendent of Education)  
Rajbir Badh (Manager of Budgets Finance)  
Jemma Kingstone (Supervisor of Accounting)  
Katherine Reddicliffe (Recording Secretary)

**1. Opening Business**

**1.1 Land Acknowledgment**

Superintendent Wilson led the meeting with land acknowledgement.

**1.2 Opening Prayer**

Trustee Blake led the meeting with an opening prayer.

**1.3 Attendance**

Attendance was noted as above.

**1.4 Approval of the Agenda**

Moved by: Carol Luciani

Seconded by: Dennis Blake

THAT the Budget Committee approves the Agenda of June 26, 2026.

**Carried**

**1.5 Declaration of Interest:**

Trustees Dignard declared a conflict of interest on agenda item 2.1 due to familial conflicts. He did not participate in the discussion or vote on the matter.

**1.6 Approval of the Minutes of May 12, 2026**

Moved by: Carol Luciani

Seconded by: Dennis Blake

THAT the Budget Committee approves the Minutes of May 12, 2026.

**Carried**

**1.7 Business Arising from the Minutes: Nil**

## 2. Information Items

### 2.1 2026-27 Operating and Capital Budget

The Budget Committee received an overview of the Ministry of Education's 2026–27 Core Education Funding announcement and its projected impact on the Board's budget.

Key highlights included:

- BHNCD SB projects enrolment growth of approximately 167 students, bringing total enrolment to 13,025 students.
- Core Education Funding is projected at approximately \$190.1 million for 2026–27.
- Total projected revenues and expenditures are both estimated at \$207.2 million, resulting in a balanced budget.
- Funding increases are expected in classroom staffing, learning resources, special education, transportation, and school facilities.
- New funding will support classroom supplies and curriculum resources for teachers.
- The Ministry has updated Specialized Equipment Allocation (SEA) funding to continue supporting students with special education needs.
- Capital funding will support facility renewal, school improvements, accessibility projects, and long-term accommodation planning.
- Approximately \$700,000 from working fund reserves will be redirected to support temporary accommodation needs, including additional portable classrooms.

Administration will continue to monitor funding, enrolment trends, and capital priorities while maintaining financial sustainability and supporting student achievement.

Committee members sought clarification regarding the new classroom supply funding, including how unspent funds may be carried forward to a future year. Administration advised that further information and guidelines will be provided to support implementation. The management and tracking of funds will be an administrative task and finance will be heavily involved. Superintendent Nelson acknowledged that implementation may present challenges among all boards and indicated that additional communication and support will be provided as the process moves forward.

Committee members requested clarification on transportation funding assumptions.

Administration confirmed that enrolment projections, routing simulations, inflationary pressures, and transportation cost factors were considered in the budget estimates and that the transportation budget has been prepared conservatively.

Questions were raised regarding increases to special education staffing. Administration advised that additional investments are planned across several support areas, including special education teachers, educational assistants, and student support personnel, to address enrolment growth and student needs.

Committee members inquired about funding allocated for facility projects, such as paving. Superintendent Nelson advised that funding has been identified for these types of projects; however, at this point no formal quotations have been received for the project mentioned.

Moved by: Dennis Blake

Seconded by: Carol Luciani

THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 total OPERATING budget in the amount of \$207,210,754 Million.

**Carried**

Moved by: Dennis Blake

Seconded by: Carol Luciani

THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 total CAPITAL budget in the amount of \$61,854,265 Million.

**Carried**

Moved by: Dennis Blake

Seconded by: Carol Luciani

THAT the Budget Committee recommends that the Brant Haldimand Norfolk Catholic District School Board approves the 2026-27 realignment of the operating surplus (working funds) in the amount of \$700,00 Thousand to use for the temporary accommodation needs.

**Carried**

**3. Business of the In-Camera Session**

Moved by: Dennis Blake
