TRUSTEE DETERMINATION AND DISTRIBUTION - 2022 ELECTIONS Public Session

BACKGROUND INFORMATION:

The municipal elections to be held in October 2022 will include the election of school board trustees. In preparation for the election, school boards are required to determine the number of trustees to be elected and the distribution of those trustees as allowed under Regulation 412/00 of the *Education Act*. In addition, school boards must determine whether to designate a trustee to low population areas. The rationale for designation of a trustee to low population areas is to ensure representation in areas in which there may be insufficient population to justify a trustee based solely on the calculation.

The *Education Act* allows district school boards to reduce their number of elected members below the number provided for in the Act and Regulation 412/00, but not below the minimum number of five members. This can only be accomplished by a resolution of the school board. If a school board chooses to exercise this option, the resolution must be passed before March 31st.

DEVELOPMENTS:

The Brant Haldimand Norfolk Catholic District School Board has four municipalities:

- The City of Brantford and the Counties of Brant, Haldimand and Norfolk.

The Board must approve the following:

1. The Number of Trustees According to the Population of the Electoral Group:

- As the Brant Haldimand Norfolk Catholic District School Board has an electoral population less than 45,000, the number of trustees for the Board is six. (*Regulation. 412/00*).

2. Low Population Representation:

- Based on the distribution, there is no need to designate a trustee to a low population area.

3. The Distribution of Trustees:

- Attached, as Appendix A, is a spreadsheet, which indicates the proposed allocation and comparisons back to 2010.

RECOMMENDATION:

THAT the Committee of the Whole recommends the Brant Haldimand Norfolk Catholic District School Board approves the following:

1. THAT, for purposes of the 2022 election, the number of trustees is determined to be six.
2. THAT, for purposes of the 2022 election, the Brant Haldimand Norfolk Catholic District School Board has not designated any low population areas within its jurisdiction.
3. THAT, for the purposes of the 2022 election, the Brant Haldimand Norfolk Catholic District School Board has determined the distribution of trustees to be two trustees for the City of Brantford, two trustees for the County of Norfolk, one trustee for the County of Brant and one trustee for the County of Haldimand.

CHANGE OF BOARD MEETING DATE

Public Session

BACKGROUND INFORMATION:

For the past two years secondary schools have not been able to hold face to face graduation ceremonies as a result of the COVID pandemic. Prior to COVID these graduation dates were scheduled well in advance so that the date could be coordinated with Senior Team and the Board calendar to ensure that there was not a conflict. With the reopening plan from the province, this advance booking was not possible. As a result of time and scheduling constraints the only time that St John's College was able to book their venue, and not be in conflict with Assumption College School's graduation, was on the same date as the June Board meeting.

DEVELOPMENTS:

Section 6.2.1.1 of the *Brant Haldimand Catholic District School Board By-laws* states that: "Unless otherwise ordered by special motion, the Brant Haldimand Norfolk Catholic District School Board will conduct regular meetings of the Board at 7:00 p.m. on the fourth Tuesday of each month at 322 Fairview Drive, in the City of Brantford."

In order for trustees of the Board to avoid conflict for these significant events, it is recommended that the date of the June Board meeting be changed from Tuesday June 28, 2022 to Monday June 27, 2022.

RECOMMENDATION:

THAT the Brant Haldimand Norfolk Catholic District School Board approves the change in date for the June 2022 Board meeting from Tuesday June 28, 2022 to Monday June 27, 2022.

CONTRACT AWARDS (Q1/Q2 2022) Public Session

BACKGROUND INFORMATION:

The Board of Trustees approved Policy 700.01 Procurement which promotes and outlines procurement processes and decisions consistent with the ethical and strategic objectives of the Board, the Broader Public Sector Accountability Act and other applicable legal requirements and applies to all staff wishing to procure in the course of performing recognized duties and responsibilities.

To meet the requirement of the Policy, a quarterly report is presented to the Board of Trustees for information on all cooperative purchasing agreements. This report will also list all contracts approved by the Board in accordance with Policy 700.01.

DEVELOPMENTS:

The Board actively participates in cooperative procurement ventures with other school boards and other branches of government or their agencies of public authorities (i.e., Ministry of Government and Consumer Services or the Ontario Education Collaborative Marketplace) to obtain maximum value for money through economies of scale and/or shared services. This may also include the Board utilizing a piggy-back clause to existing Ministry or government services, district school boards and/or other cooperative group contracts, to the extent permitted by applicable law.

Appendix A outlines the contracts that have been awarded from September 1, 2021 – February 28, 2022, and alignment with Policy 700.01.

RECOMMENDATION:

THAT the Brant Haldimand Norfolk Catholic District School Board receives the Contract Awards (Q1/Q2 2022) report.

PROCUREMENT POLICY 700.01

Public Session

BACKGROUND INFORMATION:

In February 2020, the Board of Trustees approved the revised Procurement Policy 700.01 through the Board's policy review process.

Included in the policy is an Approval Authority Schedule (AAS) outlining the approval levels to be obtained prior to conducting purchases or engaging in services.

The purpose of this report is to obtain approval to the proposed amendment to the AAS based on changing operational needs of the Board.

DEVELOPMENTS:

Facility Services repairs, remodels, and provides daily, weekly, monthly preventative maintenance for the 28 elementary school, 4 secondary schools, and 3 administrative buildings. In addition, the Facility Services assists departments with various special events and projects.

To fulfill the department objectives and ensure our students, staff, and visitors continue to enjoy safe and healthy learning and work environments, Facility Supervisors are regularly required to incur smaller value purchases for parts or services. The current AAS does not provide for Supervisors to approve payment of such transactions.

In order to ensure continue efficient services provided by the department and payment to vendors, the following amendment is being proposed to the AAS:

Approval Authority Schedule (AAS): Goods and Non-Consulting Services	
Total Procurement Amount (excluding taxes)	Delegated Purchasing Authority Level
\$0 up to \$2,999.99	School Principal, Supervisor of Custodial Services, Supervisor of Maintenance, Supervisor of Capital and Sustainability
\$0 up to \$4,999.99	Supervisor of Procurement Services, Manager of Human Resource Services, Manager of Communications, Manager of Information Technology Services, Superintendents of Education
\$0 up to \$9,999.99	Manager of Facility Services and Construction, Manager of Financial Services
\$0 up to \$74,999.99	Superintendent of Business & Treasurer
\$0 up to \$99,999.99	Director of Education & Secretary
\$100,000 or more	Board of Trustees

This proposed amendment would deviate from the Board's Policy Renewal Process due to the operational nature of the change. The amendment remains in line with the Broader Public Sector Procurement Directive and objectives of the Procurement Policy.

RECOMMENDATION:

THAT the Brant Haldimand Norfolk Catholic District School Board approves the revisions to the Procurement Policy 700.01 effective March 30, 2022.

STUDENT TRUSTEE REPORT

Public Session

BACKGROUND INFORMATION:

Thanh-Thanh Tieu consulted the Student Senate Committee about the student demographic survey once again. We were presented with a variety of names for the survey (e.g., "Valued Voices" and "Voices for Change") and provided feedback on these possible options. There was discussion about the importance of choosing an appropriate name. We appreciate the board's consultation with the Student Senate Committee for this survey.

DEVELOPMENTS:

The Student Senate Committee has decided to plan a retreat late in the spring, if possible, for all three student councils pending board approval. We discussed different ideas to incorporate into the retreat. A member of the Student Senate Committee will seek approval from Holy Trinity to host the retreat as the school may be able to accommodate the greatest number of students with the least amount of disruption. Secondary students have also been reminded that Student Trustee Election applications are due April 8th and that the election will take place April 28th at the board office.

SCHOOL NEWS:

Assumption College School is planning a Coffee house in the spring. Applications for student council are being received for future members. The STEM club is excited to return to in-person STEM presentations. The last two presentation took place in the lecture hall during both lunches. The school also hosted a dress down day in March to raise funds for Development and Peace for Ukraine.

On the week leading up to March Break, Holy Trinity hosted a spirit week that was very successful within the school. The school raised money for St. Vincent de Paul, as well as planning to give the proceeds for their upcoming dress down day towards a student's family whose father passed away. The school is also planning a Glow dance. Applications for student council are being received for future members.

St. John's College School hosted a jersey day in memory of Walter Gretzky prior to March Break. The school also hosted a pyjama day for cancer awareness. The school is also planning to host a culture day in April.

RECOMMENDATION:

THAT the Brant Haldimand Norfolk Catholic District School Board receives the Student Trustee Report.
