#### ADMINISTRATIVE PROCEDURES:

## 1.0 Consultative Process

The purpose of this Administrative Procedure is to provide direction to staff and community partners for proposing names for schools in the Brant Haldimand Norfolk Catholic District School Board.

The Superintendent of schools is responsible for implementing this Administrative Procedure.

The administration will provide all applications to the board as a summary of all submissions, and the Board of Trustees will select and approve the name of the new school from the list.

If an existing school facility is closed or replaced and the pupils are relocated to a new school facility, the name of the closed school facility shall become the name of the new school facility, unless the Catholic School Council requests in writing to the Chair of the Board that a name change be considered for the school.

The Bishop of the Diocese where the new school is to be located will be consulted as to the suitability of the name submitted.
