

On an annual basis, the principal/vice principal will review the School Code of Conduct with staff, parents/guardians and students. Annually, the Code of Conduct will be communicated to parents/guardians, students and staff. All staff in dealing with incidents of student misbehaviour; will act in accordance with the definition of progressive discipline and its range of responses. As a staff, we believe that home and school must share the responsibility for teaching and supporting our young students/adults.
