Chair of the Board – Acceptance Speech

Carol Luciani | BHNCDSB

Thank you to my fellow trustees for your confidence and support. I am honoured to serve as Chair of the Brant Haldimand Norfolk Catholic District School Board, and I look forward to the opportunities ahead.

I would also like to extend a warm welcome to our three new trustees. Each of you brings valuable perspectives, experiences and fresh ideas to our Board. I look forward to working together, learning from one another and building a strong, collaborative team with a shared commitment to student success.

We have much to look forward to over the next few years.

One of our most important responsibilities will be the approval of our new 2027–2031 Multi-Year Plan. Aligned with provincial priorities, this plan will focus on improving student outcomes, achievement and well-being. It will establish clear goals and measures of success to help ensure that students remain at the centre of our work.

We will also celebrate an exciting period of growth across our Board, including the continued progress of Brantford's newest Catholic secondary school and the development of two new Catholic elementary schools. These projects represent an investment in the future of Catholic education and, more importantly, new opportunities for students to learn, grow and thrive in faith-filled school communities.

As trustees, our responsibility is to remain focused on student outcomes, uphold provincial priorities and fulfill our governance responsibilities with accountability and integrity. Our strength comes from working collectively, respecting different perspectives and maintaining a shared commitment to the success of every student.

I am excited about the years ahead and the opportunity to build on the strong foundation of Catholic education in Brant, Haldimand and Norfolk.

I am grateful for the opportunity to serve as Chair and look forward to working alongside my fellow trustees, our CEO and senior leadership team in support of our shared commitment to *Excellence in Learning ~ Living in Christ*.

Thank you. I look forward to a positive and productive year ahead.
