

Board Policy and Administrative Procedure

Admission of Secondary Students #200.15

Adopted: April 24, 2001 Last Reviewed/Revised: August 28, 2024

Responsibility: Director of Education

Next Scheduled Review: 2028

POLICY STATEMENT:

Brant Haldimand Norfolk Catholic District School Board (the "Board") schools provide academic excellence and enable students to live a life of love and service.

The secondary schools of the Board exist to provide excellence in Catholic secondary education for the students of our separate school supporters and others within the region who elect to attend. The current legislation from the Ministry of Education states that non-Catholic students may attend Catholic secondary schools with the understanding that they respect the environment, traditions, and expectations of the Board.

APPLICATION AND SCOPE:

This Policy and Administrative Procedure outlines the process for the admission of students to the Catholic secondary schools under the jurisdiction of the Brant Haldimand Norfolk Catholic District School Board.

ADMINISTRATIVE PROCEDURES:

1. Admission to Catholic Secondary Schools

The Board is committed to service the children of eligible Catholic school supporters. From time to time, applications are received for the admission of non-resident students and/or students from ratepayers who are not eligible supporters of the system.

Subject to Board Policies regarding transportation and school boundaries, non-Catholic students may attend Catholic secondary schools with the understanding that they respect the environment, traditions, and expectations of the Board.

- 1. Students registering for the first time in a Catholic secondary school within the Brant Haldimand Norfolk Catholic District School Board shall be required to produce proof of age.
- 2. As a result of the open access provision of the Education Act, there is no need to request that registrants for secondary school change tax support if they are public school supporters. However, it is still important to the system to know whether they are Catholic school electors.
- 3. Registration Requirements

An administrator of a school will receive all students requesting admission and manage their registration using the guidance provided in this Policy and Administrative Procedure. Administrators are to ensure that all staff registering new students are well informed of these policies, procedures, and regulations. The school in the home attendance area is responsible for the appropriate placement of the students who are new to the system and who live in the school catchment area.

In all instances original documentation or a copy certified as original must be presented upon registration. Documentation uploaded or received electronically can be considered original. All parents/guardians of students, all students of at least 18 years of age, or students 16 years of age or older who have withdrawn from parental control must submit all required documentation before the student is admitted to class. This includes the completion of a Secondary Student Registration form (STU 200.15.F01).

Board Policy and Administrative Procedure

The school shall complete the Student Documentation Verification (STU 200.15.F04) form for registration purposes upon admitting a student to a Catholic secondary school under the jurisdiction of the Board. Documentation requested is required as proof, however no copies of documentation shall be reproduced as documentation is for verification only, unless otherwise indicated in this Policy and Administrative Procedure. The following is provided to assist schools in the registration process:

- 1. Determine if the student lives within your school's attendance area. All registrations require documented proof of permanent address, which could include property tax bill, utility bill, purchase/rental/lease agreement, or bank documents. If the student should be attending another school, direct the applicant to the appropriate school. In the event the student is not within the school boundary, and wishes to attend the school, an annual Application of Out of Boundary Student form is to be completed and submitted. Refer to Administrative Procedure 200.25 Out of Boundary Admission for further direction.
- 2. If the student resides outside the jurisdiction of the Board (i.e., City of Brantford, Brant, Haldimand, or Norfolk Counties), an annual Application of Outside of Board Jurisdiction form must be completed and submitted to the School Superintendent for approval.
- 3. If a parent/guardian indicates a custodial arrangement, a copy of the court order or other legal document is required for inclusion in the documentation file of the OSR. In some instances, the administrator may find it necessary to require that applicants establish proof of relationship via birth certificate, passport, or other reliable documentation.
- 4. A student who is 16 years of age or older and has indicated they have withdrawn from parental control is required to show proof of new address and indicate in writing they have withdrawn from parental control. This is achieved through the use of the Withdrawal from Parental Control (STU 200.15.F03) template.
- 5. Proof of legal name and age is required for all students registering for the first time. To verify the legal name and date of birth of the student, the parent(s)/guardian(s) or student (if 18 years old or 16 years of age or older who have withdrawn from parental control), shall produce proof through one of the following documents:
 - Birth Certificate or Official Birth Registration Card
 - Certificate of Canadian Citizenship
 - Certificate of Registration of Birth Abroad
 - Passport
 - Permanent Resident Card
 - Record of Landing
- 6. If entering as Immigrant status, one of the following documents must be provided to confirm date of entry and status in Canada:
 - Permanent Resident Card
 - Record of Landing
 - Confirmation of Permanent Residence
 - Other (must specify)
- 7. The Confirmation of Date of Entry & Status In Canada section of the Student Documentation Verification form must be completed for all students who have entered Canada for the first time within the past four (4) school years, and who were born in a qualifying country (a country other than Canada, United States, United Kingdom, Ireland, New Zealand and Australia). One of the following documents must be provided to confirm country of birth and date of first entry into Canada:
 - Foreign Passport
 - Confirmation of Permanent Residence Status
 - Permanent Resident Card
 - Canadian Passport or Canadian Citizenship Card

Board Policy and Administrative Procedure

- Work/Study Permit
- Refugee Claimant or Eligibility of Interim Federal Health Benefits
- Other (must specify)
- 8. As a result of the open access provision of the Education Act, there is no requirement that registrants for secondary school change tax support if they are public school supporters. However, it is still important to the system to know whether they are Catholic school electors. An Application for Direction of School Taxes and Separate School Support Lease is included as part of the student's registration package.
- 9. All parents/guardians of secondary students or students (if 18 years old or 16 years of age or older who have withdrawn from parental control), must submit all required documentation before the student is admitted to class. Once a student is considered fully registered, they must be placed in an appropriate class or program and timetable must be created.

Special Circumstances Defined

Custody Issues

- All students under the age of 18 must live with a parent or legal guardian. Custody must either have been awarded by Family Court or a guardianship agreement form completed and notarized prior to registration. Students under the age of 18 require this responsible adult to act as a contact for the purposes of attendance, discipline, academic progress, and emergency situations. Special situations may arise where this requirement is waived. Such special admissions are subject to the approval of the school Superintendent on compassionate grounds on a conditional basis and may be subject to the completion of the custody process. These approvals will be confirmed in writing by the school Superintendent.
- Staff should **not** encourage or suggest that students who reside outside of the jurisdiction of the Board become BHNCDSB students by having a relative or friend assume legal custody. It is most important to remember that a custody application is a serious undertaking which can involve the Family Court with a hearing before a judge. Even the simpler guardianship form carries serious legal obligations related to the acceptance of custody. The person applying for custody is taking full responsibility for the child. There is no such thing as custody for educational purposes.
- Situations may arise whereby separated or divorced parents have a pre-existing custody order and wish to make a change to the custodial arrangement. In these circumstances, the parent with legal custody must indicate, in writing, consent for a change in the living arrangement and should also indicate a willingness to return to court to legally award custody to the non-custodial parent. Likewise, the current non-custodial parent must indicate, in writing, a willingness to assume responsibility for the care and control of the child, as well as a willingness to return to court to seek legal custody. With original copies of both letters, it is not necessary to wait until this court process is completed. If parents separate or divorce and do not have a custody or separation agreement, custody is assumed to be joint custody, and the child may reside with either parent. Schools should seek clarification with regard to the non-custodial parent's access rights when registering students who are residing with one parent only. These rights will be detailed in a court order or separation agreement. Unless there is a court order, separation agreement or restraining order, both parents have equal access rights.
- Students in the process of being adopted A student may be registered if:
 - the school has received proof that adoption proceedings have been initiated; and
 - o a letter of intent is provided.

Students with Immigration Documents

- Schools registering students holding the following types of documentation must be referred to the Executive Assistant, Business Services for guidance prior to registering at the school.
 - o Applicants for Permanent Resident status / Approval in Principle (sponsorship within Canada)
 - o Minister's Permits (and/or extension thereof)

 - o Visitor's Visa

 - Refugee claimants/convention refugees

Board staff are **not** to provide persons holding any of the documents listed in this section with any kind of assurance, either verbal or written relative to school admission and/or acceptance, until the status of their documents has been approved by the Superintendent of Business (or delegate).

Non-Resident of Canada (International) Students

The following is a summary of the procedures for the admission of Non-Resident of Canada (International) Students:

- The procedure and process will be administered through Business Services, in consultation with the school Superintendent for which admission is being sought. The schools will not independently approve admission of any international students.
- Any new non-resident of Canada students requesting information or admission to a school in the Board should be directed to Executive Assistant, Business Services.

- The Executive Assistant, Business Services will review the request of a student with the Administrator (or designate) and determine whether or not a space/pupil place is available in the school to accommodate the nonresident of Canada (International) student. If space is available, the student will complete the appropriate registration forms.
- A Letter of Acceptance addressed to Immigration, Refugee, and Citizenship Canada will not be issued by the Superintendent of Business until the Executive Assistant, Business Services is in receipt of the following documents:
 - o Application, tuition, and other applicable fees (certified cheque or money order).
 - Study or appropriate work permit
 - Once the required registration forms and documentation have been provided and verified, the school will add the student to the pre-registration section of the student information system. The school is not to allow admission of these students until the school has received confirmation that the student's tuition fee has been paid, by the Executive Assistant, Business Services.
- Upon arrival to Canada with a valid Student Authorization issued by Citizen and Immigration Canada, the student must supply the following:
 - A copy of a recent medical examination (within 6 months of entry into Canada) which outlines the state of health of the individual. The document (in English or French) will include proof of vaccination against mumps, measles, rubella, diphtheria, tetanus and polio. As well, there shall be proof (in English or French) that the student is not carrying any communicable diseases including, but not limited to Tuberculosis.
