POLICY STATEMENT:

The Brant Haldimand Norfolk Catholic District School Board (the "Board") recognizes that parents and communities may choose to support their schools through fundraising activities. These activities have the potential to enrich the experience of our students and also help build a broader sense of community.

Fundraising activities must be complementary to Catholic education, voluntary, safe, accountable, and transparent. The Board is supportive of fundraising activities that increase student engagement, support Catholic values and promote a sense of philanthropy, awareness and understanding while building strong partnerships.

APPLICATION AND SCOPE:

This Policy and Administrative Procedure provides guidance to all schools and groups regarding how to plan and administer all fundraising and school activities and how to report on these activities to the school community. The procedures outlined applies to all funds received, raised or collected in the name of school or school activity, or on behalf of the Board, school or Catholic School Council.

DEFINITIONS:

Catholic School Council: Consists of parent volunteers who actively participate to improve our students' learning experience and enhance the accountability of the education system to parents. Catholic School Councils act in an advisory capacity to the school administrators to improve the overall effectiveness of the school.

Fundraising: Fundraising is any activity (as permitted under this Policy and Administrative Procedure) undertaken to raise money or other resources, that is approved by the school Principal, in consultation with and upon the advice of the Catholic School Council or Student Council.

School Community: The school community refers to students, parents, guardians and caregivers, Catholic school councils, trustees, school administrators, staff, members of the broader community and partners, as well as others, who support a local school and the students that attend that school.

School Generated Funds: School Generated Funds (SGF) are funds that are raised and collected in the school or broader community in the name of the school by Catholic School Councils or other school or parent-administered groups (with the exception of funds raised by the Ontario Home and School Associations). SGF are administered by the school Principal and are raised or collected from sources other than the Board's operating and capital budgets.

SGF is a broad category, which includes not only fundraising for school purposes, but also all funds that are collected and paid out through school accounts to support a variety of programs such as collections for and payments to charities or other third parties (i.e. school trips, lunch programs, etc.).

ADMINISTRATIVE PROCEDURES:

1.0 Fundraising Activities

- 1.1 School fundraising activities are conducted under the guidance of the school Principal, in accordance with Board policies and with advice and input from the school community. Funds raised for school purposes are used to complement, not replace, public funding for education. Fundraising must have a designated purpose as outlined in the *Proposed School Fees and Fundraising Plan*. All proceeds are to be used for their intended purposes.
- 1.2 Participation in fundraising activities is strictly voluntary. Individuals cannot be compelled to participate in any fundraising activity, nor should they be subject to penalties or be denied benefits, if they choose not to participate. Students participating in any fundraising activities will not be held responsible for any loss that may occur during the course of any fundraising.
- 1.3 Each school is permitted two school-sponsored community fundraising events per year, one of which may be for Catholic charitable purposes. Principals may also elect to donate a portion of their fundraising proceeds for Catholic charitable purposes. All additional funds raised or collected (i.e., class trips, hot lunches, milk, etc.) must be approved by the Principal, who will consult with the school Superintendent as required, through the annual School Fees and Fundraising Plan. Additional community fundraising may be permitted. Approval is required for any additional community fundraising and must be obtained prior to the commencement of any activities. The *Additional Fundraising Approval form* accompanies this Policy and Administrative Procedure.
- 1.4 The safety of students is a primary consideration in all fundraising activities; student fundraising requires appropriate supervision and should be age appropriate. The Board does not endorse or encourage any door-to-door fundraising and canvassing. Prior approval of the school Superintendent must be obtained for any fundraising activities conducted off school property. Students (under 18 years of age) participating in any fundraising activity off school property must have written parental or guardian consent.
- 1.5 Schools may engage in certain lotteries or games of chance, specifically raffles, 50/50 draws, cash calendars, and bingo. All other lotteries or games of chance are prohibited. The game of bingo must be held off site. In order to raise funds through the above activities, a lottery license must be obtained

through the Alcohol Gaming Commission of Ontario (AGCO) or the school's local municipality. It is the responsibility of the school Principal to ensure that all terms and conditions of the lottery license are met, which includes (but is not limited to): applicable fees, maintenance of a separate in-trust bank account and general ledger, and monthly and annual financial reports. Please contact the Manager of Financial Services prior to committing to any lottery or game of chance as a fundraiser.

- 1.6 Funds raised through initiatives at the school-level should normally be used in the year they are raised, unless designated for a specific, approved long-term project.
- 1.7 Approvals are required for any educational field trips or excursions in accordance with 500.01 *Education Field Trips and Excursions*. This includes any day trips (within and out of Brant, Haldimand, and Norfolk) and overnight trips (within and out of Canada). The Superintendent of Business & Treasurer must authorize any third-party agreement for fundraising or educational excursions prior to a school entering into such an agreement.
