

What's Happening This Week at Resurrection ~ June 8—12

- This is the last week for hot lunch days on Tuesday & Thursday. Please remember to pack lunches on those days the last 2 weeks of June.
- Tuesday will be the county track & field meet. Students participating in events should dress for the weather, bring enough water to last the entire day, pack a healthy lunch with extra snacks and apply sunscreen in the morning and bring extra to reapply throughout the day. Good luck to our Resurrection participants!
- Thank you to everyone who attended Bids and Bites this year. We had a wonderful turnout and are pleased to share that we raised a total of \$7,764.01. We would also like to extend a sincere thank you to our Parent Council for their time, effort, and hard work in making this special event such a great success.
- **Ticks**- there have been reports of children having ticks on them. Ticks are everywhere! Please be mindful of this and do a "tick check" as needed on your child(ren). Please see more information from the Brant County Health Unit to answer any questions that you may have on this topic:
