St. Patrick's Code of Conduct 2026-2027

Our Brant Haldimand Norfolk District School Board Code of Conduct and our **St. Patrick CES** Code of Conduct is shaped by the Ontario schools Code of Conduct (PPM 128) and promotes the values expressed in the Brant Haldimand Norfolk Catholic District School Board Student Behaviour, Discipline and Safety Policy (200.09). These standards of behaviour apply to all individuals involved in the Brant Haldimand Norfolk Catholic District school Board – students, parents, volunteers, teachers, and other staff members – whether on school property, on school buses, at school or board related events or activities, or in other circumstances (e.g. online interactions), that could have an impact on the school, school board climate and relationships.

We believe that all schools within the Brant Haldimand Norfolk District School Board and in our specific school, **St. Patrick School,** should be a safe, inclusive, accepting and respectful environment for all students, staff, and parents and therefore we will be responsible for actions that harm others. As a board and school community, we will work together to promote positive attitudes and behaviour towards each other and the school that respects our Ontario Catholic Graduate Expectations and our Gospel values.

St Patrick School along with the Brant Haldimand Norfolk Catholic District School Board, believes that a safe, inclusive and accepting environment is accomplished when all community members:

Purposes of the Provincial Code of Conduct (which supports School Board & School Code of Conduct) is:

2. To promote responsible citizenship by encouraging appropriate participation in the civic life of the school community.
3. To maintain an environment where conflict and/or harm and differences can be addressed in a manner characterized by respect and civility.
4. To encourage the use of non-violent means to resolve conflict and/or harm.
5. To promote the safety of people in the schools.
6. To discourage the use of alcohol and illegal drugs.
7. To prevent bullying in schools.

School Boards

School boards provide direction to their schools to ensure opportunity, academic excellence, and accountability in the education system. It is the responsibility of school boards to:

- develop policies that set out how their schools will implement and enforce the provincial Code of Conduct and all other rules that they develop that are related to the provincial standards that promote and support respect, civility, responsible citizenship, and safety;

Wherever possible, boards should collaborate to provide coordinated prevention and intervention programs and services, and should endeavour to share effective practices.

PROGRESSIVE DISCIPLINE (adapted from BHNCDSB Board Policy 200.09)

Progressive Discipline is a whole-school approach that utilizes a continuum of interventions, supports, and consequences to address inappropriate student behaviour and to build upon strategies that promote positive behaviours. In everything that we do in the Brant Haldimand Norfolk Catholic District School Board and St. Patrick School, we are led by our Faith and a conscious effort to model the Beatitudes while responding as a caring Catholic community. It includes a response to misbehaviour which shifts the focus from punitive to corrective and supportive. It also includes a range of responses that include learning opportunities for reinforcing positive behaviour while helping students make good choices in the future. Restorative questions utilized in the event someone has harmed include:

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you need to do to make things right? © IRP Graduate School

For pupils with special education and/or disability related needs, interventions, supports and consequences will be consistent with the expectations in the students' individual education plan (IEP) and /or his/her demonstrated abilities. The principal/vice-principal will also take into consideration all mitigating factors as required by the Education Act.

In some circumstances, positive practices and progressive discipline might not be effective or sufficient in addressing inappropriate student behaviour. In such circumstances, the Board supports the use of progressive discipline consequences up to and including suspension, or expulsion from all schools of the Board. (More detail can be found within the Brant Haldimand Norfolk Catholic District School Board: Student Behaviour, Discipline & Safety Policy 200.09).

Range of Responses:

- Verbal/non-verbal messages from teacher or adult in authority (including review of Celtic Code)
- Re-location within the classroom or learning environment
- Private conversations with student, to help student to reflect, to develop alternative behaviours
- Collaboration with parent or guardian
- Loss of privileges
- Collaboration with other school personnel (school SERT, support agencies)
- Peer mediation
- Restorative practices or community services
- Suspension (principal/vice principal shall consider mitigating circumstances as per Board Policy 200.9)
- Expulsion (principal/vice principal shall consider mitigating circumstances as per Board Policy 200.9).

Steps for Resolving School Incidents: Communication Procedures:

We wanted to take a moment to outline our communication protocols for addressing any incidents that may occur at school. This process helps ensure that all concerns are addressed in a timely and effective manner.

1. **Initial Contact**: If an incident arises, the first step is to email or contact your child's teacher directly. Teachers are often best positioned to provide details about what happened and to discuss immediate next steps.

2. **Request a Meeting**: If you feel that the issue requires further discussion or resolution, please request a meeting with the teacher. This allows for a more in-depth conversation and helps in collaboratively finding a solution.

3. **Speak with Administration**: Should the situation remain unresolved or if you believe it necessitates additional attention, please feel free to contact or meet with the school administration. We are here to support you and ensure that every concern is thoroughly addressed.

On an annual basis, the principal/vice principal will review the School Code of Conduct for St. Patrick School with staff members. Annually, the Code of Conduct will be communicated to parents/guardians, students and staff. All staff in dealing with incidents of student misbehaviour; will act in accordance with the definition of progressive discipline and its range of responses. As a staff, we believe that home and school must share the responsibility for teaching and supporting our young students/adults.

RESTRICTIONS TO STUDENT PERSONAL MOBILE DEVICE USE AND ACCESS TO SOCIAL MEDIA ON BOARD NETWORKS AND DEVICES

St. Patrick Catholic Elementary School aims to balance the benefits of technology with the need to maintain an environment conducive to learning and one that limits classroom distractions to ensure that the educational environment remains focused and respectful for all students and staff.

The use of instructional technology is one way of enhancing our mission to teach the skills, knowledge and behaviours students will need as responsible citizens in the global community. However, any of our community members can be affected by inappropriate use of mobile devices and social media. They can greatly distract students and staff from engaging in consistent and authentic teaching and learning. We can be impacted by the role it plays in the spread of misinformation, the coarsening of civil discourse, the radicalization of various systems, and the mental health crisis that is especially prevalent among our youth.

In Accordance with the Provincial Code of Conduct set out by the Ontario Ministry of Education, the policies of the BHNCDSB put restrictions on student personal mobile device use and access to social media. These restrictions apply to all students enrolled in schools under any Ontario School Board jurisdiction, including during school hours, on school property, during school-related activities, and on school-provided transportation.

St. Patrick Catholic Elementary School will only allow personal devices such as cell phones, smartphones, tablets, laptops, and smartwatches to be used on school grounds and/or school related activities under the following circumstances:

- For educational purposes, as directed and approved by an educator.
- For health and medical purposes.
- To support Special Education needs (Parents/guardians must notify the school administration using the approved process and provide appropriate documentation for such exemptions).
-

Personal mobile devices of students in kindergarten to grade 8 must be stored out of view and powered off (or set to silent mode) throughout the full instructional day. For clarity, full instructional day means the time between the first bell to signal the start of the school day and the final bell to signal the end of the school day. Students will hand in their personal mobile device at the start of the day to their teacher to be locked away and kept safely.

Students are encouraged to leave their personal devices at home. In the event of an emergency, communication to a student or from a student, can be achieved in the main office. **The Board is not responsible for lost, stolen or damaged student personal devices.**

PROCEDURES FOR WHEN AN EDUCATOR HAS APPROVED THE USE OF PERSONAL MOBILE DEVICES FOR EDUCATIONAL PURPOSES

1. Students must adhere to the BHNCDSB - Student Information and Technology Communications Use Agreement.
2. Approved devices **must be on silent mode** on school property, unless otherwise allowed by an educator.
3. Headphones may only be used with educator permission. Walking down the hallway with headphones being used is not permitted. External speakers are permitted only at the discretion of the classroom teacher.
4. Devices **may not be used** to look up answers on assignments, quizzes, or tests.
