

Week at a Glance

Monday, May 11th– Friday, May 15th, 2026
Parent/Guardian #34 2025-2026

At St. Stephen Catholic School, we are dedicated to fostering the spiritual, intellectual, and moral development of every child. Grounded in the teachings of Jesus Christ and guided by Catholic values, we aim to build a supportive and inclusive community where students are motivated to excel, build strong character, and serve others with compassion and integrity. Through faith-based education, we prepare our students to become lifelong learners, responsible citizens, and faithful followers of Christ

Dear Parents and Guardians,

We have had a very eventful and successful Catholic Education Week at St. Stephen! Throughout the week, students participated in many engaging activities that celebrated our faith, learning, and school community. It was wonderful to see so much enthusiasm and participation from our students and staff.

We also had our **Welcome to Kindergarten** and got to meet our future St. Stephen's students. Thank you Mrs. Lynch and Mrs. Meyer, for organizing this great opportunity.

I would also like to congratulate our cross-country team on an outstanding event. Our team finished 3rd overall, which is a tremendous accomplishment. A special thank you goes to Mr. Bortolotto, Ms. Jenny, and Mrs. Gelzynsky for their dedication, coaching, and supervision throughout the event and at the meet. Your support and commitment to our students are greatly appreciated.

Looking ahead, our next outdoor athletic event will be Track and Field. Training will begin this week, and Mr. Galinas will be leading and organizing the team. We look forward to another exciting season of student participation and achievement.

Reminder that Jumbo Freezies are for sale on SchoolCash online. The first round will be handed out next week.

As always, please remember to review the important upcoming events and dates shared below.

Thank you for your continued support of your child's education and of the St. Stephen school community. If you have any concerns or compliments, please feel free to contact me, and I will do my best to respond within 24 hours.

Thank you,

Mr. Docherty

Wednesday, September 9 - All Second Year Students (SK) and half of First Year Students (JK)
Thursday, September 10 and Friday, September 11 - ALL Kindergarten Students

What a Parent/Guardian/Family Member Can Do to Assist in Good Attendance:

- **Set a regular bedtime and morning routine.**
- **Lay out clothes and pack backpack the night before.**
- **Keep your child healthy.**
- **Develop backup plans for getting to school if something comes up. Call on a family member, a neighbour or another parent.**
- **Try to schedule medical appointments and extended trips when school isn't in session.**
- **If your child seems anxious about going to school, talk to teachers, the school principal and other parents for advice on how to make your child feel comfortable and excited about learning.**
- **If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.**

SELF Regulation:

- **Understanding the SELF in Self Reg©**
- **The self-regulations as a learning skill that is reported on in the Ontario Report Card is vastly different than the process of Self-Reg©. At BHNCD SB, we continue to explore and embed Shanker Self Reg© practices in our schools as a means to enhance learning, promote well-being, reduce behavioural issues, improve educator well-being and promote lifelong skills.**
- **Consider the following:**
- **Can you pour from an empty cup?**
- **Can you help others when you yourself need help?**
- **Can you co-regulate without being regulated by yourSELF?**
- **Knowing yourself and how you respond to different tensions and energy states enables you to effectively support yourSELF and others and provides the opportunity to foster a supportive and stress-aware environment for students and staff.**
- **Reflect on the video and consider the next steps.**

Head Lice:

Prevention & Treatment Information: [head-lice-brochure-BCHU-HNHU-booklet-Updated.pdf](#)

Ticks:

When nice weather arrives, so does the risk of tick bites. The attached factsheet provides families with additional information on protecting themselves against ticks.

Please visit <https://bchu.org/public-health-topic/infectious-disease/ticks/> for more information.”

Public Health Info:

Dear school partner,

I hope this message finds you well. My name is Joey Liu, and I am pleased to introduce myself as your school's new Public Health Nurse. I am new to Grand Erie Public Health but I have been working in Public Health for the past eight years, most recently with Halton Region. Throughout my career, I've had the opportunity to work closely with school boards, school administrators, educators, parents, and children and I value the important role schools play in supporting student health and well-being.

I am very much looking forward to working with you and your school community for the remainder of this school year. Over the coming weeks, I will be taking some time to review what your school has done in the past few years, as well as any areas of interest you may have shared in previous discussions with our Health Promoter, Josh. I will also share any relevant public health information that may be helpful for inclusion in your monthly school newsletters. Here is February's health topic: Bullying.

There are also several current initiatives that may be of interest to your school including:

You're the Chef

Playground Activity Leaders in Schools (PALS)

Information on implementing student lunch monitors

A staff presentation on teaching food and nutrition using a neutral and inclusive approach

For more information on Public Health Services in schools, please visit our website. Please note that Brantford-Brant and Haldimand-Norfolk PHUs have merged, and our new GEPH website will be coming soon. For now, please continue to find the information you need via our legacy sites.

I would love the opportunity to meet in person to put a face to the name. I recognize how busy school schedules can be and would be happy to accommodate a time that works best for you. Please don't hesitate to reach out if there are any needs related to your school or if you are interested in initiating any of the initiatives listed above.

You can reach me by email at jliu@geph.ca or by call/text at 548-885-1697 — whichever is easiest for you. I look forward to working with you.

Warmly,

Joey Liu, BScN, RN (She/Her)

A promotional poster for a Star Wars Youth Movie Night event. The background is black with yellow stars and a yellow border. At the top left, a red laser beam points towards the text 'FREE' in white, with 'AGES 13-19' below it. The main title 'YOUTH MOVIE NIGHT' is in large, yellow, outlined letters. Below this, it says 'PRESENTED BY THE WEEK OF THE CHILD & YOUTH, HALDIMAND-NORFOLK'. The date '-MONDAY, JUNE 1-' is in glowing green letters. The movie titles 'STAR WARS: MANDALORIAN AND GROGU' are in red and white. The venue 'THE STRAND MOVIE THEATRE, SIMCOE' and times 'DOORS OPEN @ 6:00, MOVIE STARTS @ 6:30' are in yellow. A blue banner at the bottom says 'FREE POPCORN & POP INCLUDED'. Registration information is listed in yellow. At the bottom, there is an illustration of a grey planet and a blue bucket of popcorn with a logo.
